

Indoor Paintball & Go Karts

CORPORATE EVENTS

PAINTBALL

Sydney's Most Exhilarating Indoor Paintball Arena.

Our Urban Warfare field is unlike anything in Sydney, featuring Police Cars, a Bank, Buildings and Street Settings, the fire fights are as epic as they come as you battle the Bank Robbers, take control of the houses or fight it out in a siege. The Field is set up to give you a taste of Professional Paintball Tournaments with extremely fast fire fights as you sprint and slide around the inflatable obstacle course and work with your team until you're the last man (or woman) standing. Our equipment is state of the art, regularly updated and professionally serviced. Everything you need is included in your Paintball Package with additional safety items available for purchase or hire and all with unlimited Paintball Gun Air Refills.

SPITFIRE PAINTBALL & GO KARTS HAVE RECENTLY CONVERTED OUR PAINTBALL FIELDS INTO DEDICATED REBALL FIELDS.

Rebolls are Paintless Paintballs, and provide the full Paintball game experience without the oily mess. Our Rebolls, introduced with the assistance of Reball Australia, utilise the original and best Reball product, designed in Europe, to exactly replicate a Paintball and use the same equipment and Paintball Guns to give the exact same adrenaline pumping games and experience, but without the oily mess and dirty experience of traditional Paintball.

LASER TAG

Developed in 2016 and incorporates the world's BEST in Laser Tag Technology.

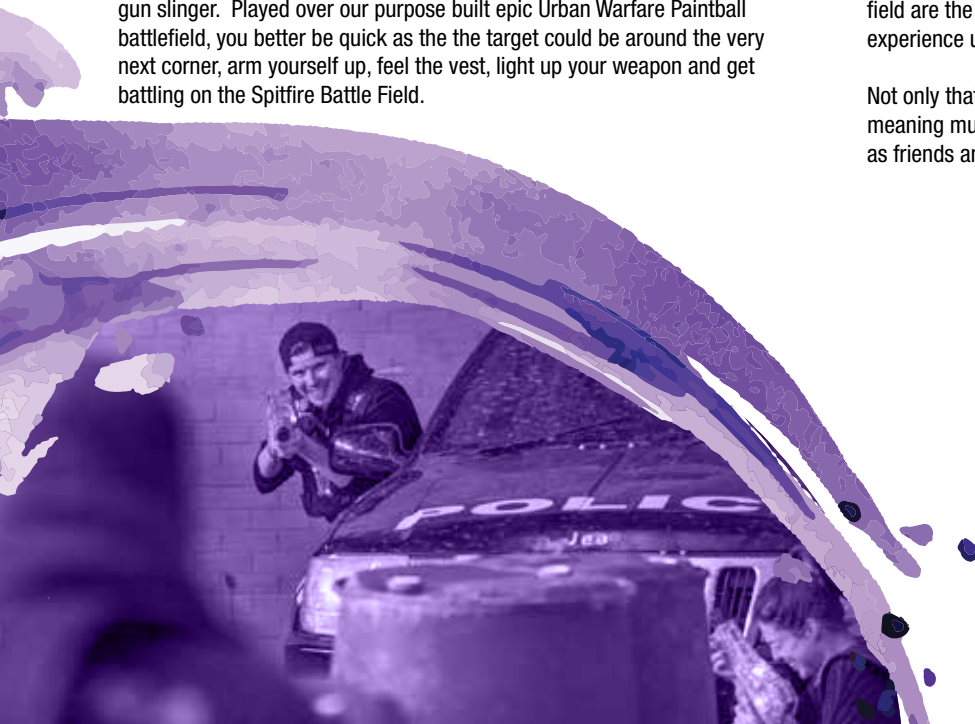

With something for everyone now, Laser Tag is the perfect activity for Kids Birthday Parties, Family & Social Events and Corporate Functions. Prepare for Battle on our purpose built, real life field. Don't worry about the bruises however, your Laser Tag Gun will light up the grounds as you hunt your targets and battle your way to get the most points and be the ultimate gun slinger. Played over our purpose built epic Urban Warfare Paintball battlefield, you better be quick as the target could be around the very next corner, arm yourself up, feel the vest, light up your weapon and get battling on the Spitfire Battle Field.

USING THE HELIOS LASER SYSTEM, OUR LASER TAG FEATURES;

- 22 awesome customizable game formats
- 4 Hit zones with scaling points
- Music and announcements
- New live-action scoreboards designs

Our Purpose Built Field means that kiddies big and small get to battle it out on the biggest and best real life scenario based games. No more hiding in dark alleyways and blacked out mazes, our urban warfare environment and field are the best in Sydney, and playing Laser Tag on this field provides an experience unlike anything in Sydney.

Not only that, but all the fields are viewable from our public areas, meaning mum, dad and spectators can watch and be entertained as friends and family, big and small, fight it out Laser Style!!!

GO KARTING

Sydney's Premier Indoor Go Karting

The best indoor go kart racing location in all of Sydney is Spitfire Paintball & Go Karts. Our Go Kart Track, built in late 2013 to complement the already established paintball fields, has been designed and modified to provide the most thrilling go karting events and driving on offer.

When you're looking for the ultimate test of skill and precision on the go karting track – Spitfire can't be beaten. Take on your mates and claim the rights to the ultimate racer, you simply will not regret it.

OUR GO KART TRACK AND FACILITIES SPEAK FOR THEMSELVES AND INCLUDE:

- World Class State of the Art Lap Timing Software – Direct from the World Leaders in Europe (as used in Ferrari World Dubai).
- Big Screen Lap Timing Displays.
- Surround Sound Foxtel Entertainment.
- Around Track Warning Lighting System.
- Electronic Sign-In and Waiver Systems.
- Facebook Registrations plus after event Lap Statistic Emails.

ALL GO KARTING EVENTS INCLUDE:

- Driver Training & Instruction.
- Equipment Use.
- Track Support and Marshall.
- Access to our unique Facebook App and Recording (record your times and challenge your friends).

RACING SIMULATORS

The Spitfire Racing Simulator Centre is the most advanced Simulator Centre in Sydney. Custom built within it's own enclosed area at Spitfire, the Simulator Centre takes Motor Racing to a whole new Level. Practice your Hot Laps or line up for a Championship Grand Prix with all our Simulators linking up. The racing has never been as epic or realistic as these incredibly lifelike machines. Featuring 4 Full Motion Racing Simulators and 2 Replica Formula 1 Racing Cars with a multitude of cars and tracks, the choices and options are endless.

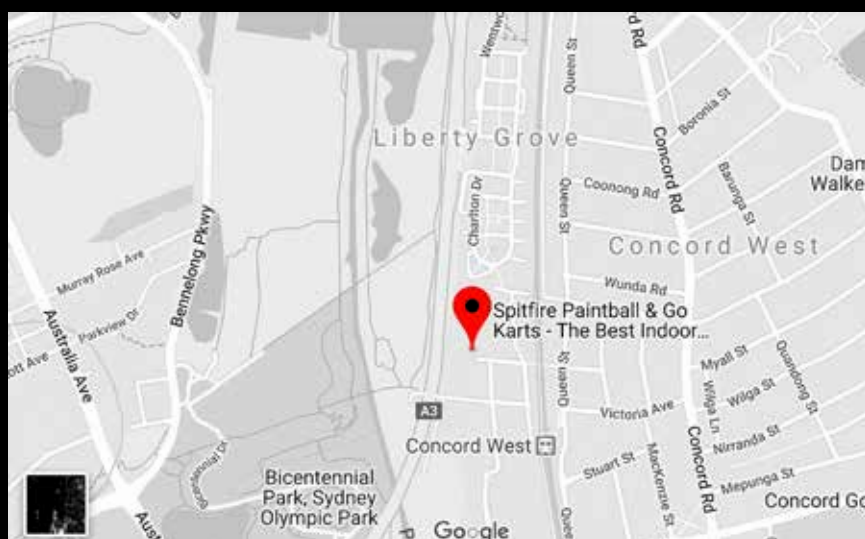

From piloting a Formula 1 car around Monaco to thrashing a V8 Supercar around Bathurst, this is as close as it gets to racing for real!

Our 4 Full Motion Racing Simulators are equipped with Multi Screen Surround Display, Full Motion and Action Sensitivity, Force Feedback Steering, Sequential or Paddle shifting - the realism and racing is as good as it gets. Our 2 Formula 1 Racing Simulators are Replica Formula 1 cars. As you slide into the drivers seat and look out of the long bonnet and past the huge racing tyres, you are immersed as the race is projected on to a huge 4.5 metre curved screen with surround sound, it is a complete sensory overload and unlike anything else in Australia.

We are located at;
Cnr George Street & Station Avenue,
Concord West, NSW, 2138
